## ABOUT THE BRAND

### Brand Story

- House of Kiran is a leading provider of a wide variety of spices, seasonings, and extracts to enhance the taste of your everyday and key meals: breakfast, dinner, and everything in between.
- All are products of South Africa. Pink Salt are products of Pakistan and packed in South Africa.
- These items are suitable for salad dressings, marinades, sauces, vegetables, fruits, and all meats. They can be added when cooking or after serving.
- All bottles are disposable, and do not need to be refilled.
- Salt and spice combinations are in a beautiful packaging. This provides consumers with excellent taste and variety, as well as, the assurance of top-quality ingredients sourced globally and industry-leading standards for food safety.
